MODEL BWB Gas-Fired Hydronic

LEGACY™
LINE

Heat Your Home with C

Put Your Trust in Bryant

For more than ninety years, Bryant has been your trusted friend in the heating business. Winter after winter, we've been keeping people just like you comfortable with heating systems designed to meet every conceivable need. That legacy of comfort continues with Bryant's versatile family of gas-fired boilers.

With a Bryant boiler, you can heat your home with confidence knowing that this product is built to last. Because it's a boiler, it delivers consistent, draft-free heating. Because it's from Bryant, it offers reliable, energy-saving performance installed by a qualified professional dealer.

For reliable, efficient heating you can trust, choose the model BWB boiler from Bryant.

Bryant Boilers Provide Reliable Comfort

Because hydronic systems do not move air, you can be more comfortable without the drafts and noise associated with some forced air systems. Also, a boiler heats your home without drying out the air or slowly damaging furniture and woodwork.

Model BWB is a gas-fired water boiler, with efficiency up to 82% AFUE (Annual Fuel Utilization Efficiency). The model BWB boiler also features an intermittent ignition and insulated casing for maximum operating efficiency and economy.

Model BWB

confidence.

Peace of Mind

Having a great warranty helps you enjoy your comfort with confidence. Bryant® builds trusted reliability into every product, then provides additional peace of mind with excellent warranty protection.

BWB Limited Warranty

To the original owner, the Bryant model BWB gas boiler is covered by a 10-year parts limited warranty upon timely registration of your new equipment.* It is also covered by a 20-year parts limited warranty on the heat exchanger section. Ask your Bryant dealer about optional extended warranties, which may include labor. See warranty certificate at bryant.com for complete details.

* Warranty period is 5-years if not registered within 90 days. Jurisdictions where warranty restrictions are not allowed will automatically receive a 10-year parts warranty. See warranty certificate at bryant.com for complete details.

Quality You Can Trust

Bryant has maintained the trust of people just like you by continuously improving our products. As the technology and the products change, one thing remains consistent: quality! From first concept to final assembly, Bryant leads the industry in quality control through a strict program of reliability testing. History proves when you choose Bryant, you are choosing solid, dependable products built with you in mind.

CONTOURED INTERNAL VANES

Guide the flow of water – speed the exchange of heat for more efficient operation and lower fuel costs.

THERMAL PINS

Cast external projections transfer heat more quickly for faster thermostat response – saving fuel and money.

Performance

Home Comfort Components

Model BWB

- 1 CAST IRON SECTIONS AND SEALS**
