Irritrol[®]
SYSTEMS

EFFECTIVE NOVEMBER 1, 2000

POLICIES & PROCEDURES

Standard Payment Terms:	2% 10th prox net 60.
Minimum Order:	\$100 net. This minimum applies to whole goods and parts orders only and not to orders for repairs or literature.
Late Charge:	All invoices not paid by the net due date will be subject to a service charge of the lesser of 1 1/2% per month (18% annual percentage rate) or the highest interest rate then permitted by applicable law.
Credit Terms:	Dating terms, as well as all open account credit terms, are made available to those customers which the company's credit department determines to be credit worthy. Customers may participate in buying programs or enjoy open account terms only so long as such credit worthiness, as determined by the company, is maintained. If such credit worthiness is not maintained, all outstanding customer obligations under open account or dating terms shall, at the company's option and upon written notice to the customer, become immediately due and payable in full.
Freight Terms:	Irritrol Systems will ship freight prepaid any orders valued at a minimum of \$1,000 net. Dura-Pol polyethylene hose may be used to fulfill the net qualifier for prepaid freight on a given order.
Special Order Items:	Special order items may not be returned for credit.
Claims for Shortage:	All claims for shortage should be made in writing to our Order Services Department within 15 days of receipt of goods.
Defective Goods Return Policy:	To return defective products, please obtain a Return Authorization Number from the Order Services Department, and submit it with the returned goods.
Product Return Policy:	Products returned (other than defective) must be preapproved by Irritrol Systems management. For approval, contact your local Irritrol Systems District Sales Manager. A 30% restocking charge will be applied.
