

KING SAFETY

CABLE TIES

FEATURES AND BENEFITS

- Self-locking, one piece, low-profile head conserves space
- Bent tip on all series cable ties allow easier pick-up insertion, and pull-up
- V-shaped raised ridges on bent tip give a sure grip and easier pull-up
- Fire retardant, UL 94V-2 flammability classification construction
- Engineered and manufactured for excellent performance
- Use at temperatures up to 185° degrees F /85° degrees C
- For maximum comfort, smooth rounded edges will not cut hands or insulation
- Dupont 66® nylon toughness
- Black is UV stabilized extending life during prolonged exposure
