

KING SAFETY GRIPS

FOR PULLING PVC AND POLY PIPE

FEATURES AND BENEFITS

- Easy quick coupling and quick release saves time and money
- PVC and poly pipe compatible — for any size pipe; 3/4" to 4"
- Rugged, long lasting design provides years of trouble-free service
- Useful for pipe pulling and boring pull-backs
- Full pipe end cover keeps dirt out of pipe
- Plated for rust prevention
- Minimum grip on pipe means no wasted pipe material
- Fits all pipe pulling equipment
- Easily replaceable parts means minimum down time
- No steel splinters

TO ORDER: SELECT ONE FROM A AND ONE FROM B, C IS OPTIONAL.
