Getting to know Contractors

This months spotlight is on Lloyd Cottrell.

Lloyd began his career with Mountain Contractors Supply on January 1, 1997. Being the first employee to be shared by Contractors HVAC Supply and its sister companies, Lloyd was hired as the IT manager and maintains the same position. He continues to find new and more efficient ways for the company to run smoothly. Prior to his career with Mountain Contractors, he received his associated degree in Accounting from Merritt Davis Business College. Outside of work, Lloyd spends his time with his pride and joys, his wife and two daughters. Lloyd, thank you for fourteen years of dedication.
