Green Stripe Eagle-Tough® Turf Pipe

Eagle Tough® Turf Pipe is requested by contractors and homeowners alike for its quality and reliability when installing in-ground sprinkling systems, and it comes with a Lifetime Warranty.

In the lawn irrigation industry, contractors and homeowners alike appreciate the Eagle-Tough® Buyer's Lifetime Warranty. This pipe allows for a clean and neat installation.

Made of remarkably strong medium density 2406 or high density 3408 polyethylene, Green-Stripe Eagle-Tough® pipe conforms to the requirements of ASTM D 2239 and is listed for potability to ANSI/NSF Standard 61.

Eagle-Tough® Turf Pipe

Polyethylene Material Code	Nominal Pipe Size (inches)	SIDR	Pressure Rating (psi)	Approximate Outside Diameter (inches)	Average Inside Diameter (inches)	Minimum Wall Thickness (inches)	Approximate Weight (lbs/100')
PE 2406	1	15	80	1.20	1.049	0.070	11
PE 3408	1	15	100	1.20	1.049	0.070	11
PE3408	1	19	80	1.18	1.049	0.060	9

PWPipe is the largest producer of PVC pipe in western North America and our products are available from distributors throughout this geographic area. PWPipe products include PVC and polyethylene pipe and tubing for a variety of applications servicing the potable water, well casing, sewer, turf, agriculture, plumbing, communications, and electrical markets. Our manufacturing facilities in Oregon, Washington, California, Utah, and Nebraska assure on-time delivery.

Note

PWPipe product specifications and warranties are continually updated. If more than 12 months have passed since the date of this brochure, call your PWPipe representative and ask about changes.
