Custom Command™

The Toro Custom Command Commercial Controller is proof that advanced-design controllers don't have to be complicated.

Developed to meet a wide variety of sophisticated watering requirements, the Custom Command is available in durable plastic and rugged metal models ranging from 6 to 24 stations (plastic) and 12 to 24 stations (metal). Four independent programs, 16 total start times and a 365-day calendar for odd- or even-day scheduling provide maximum flexibility.

Although advanced, the Custom Command's hybrid design with a large, easy-to-read display and color-coded, 10-position dial ensures easy programming. And, Toro has made the Custom Command faceplate and control module removable, for convenient Armchair Programming™. Custom Command from Toro—maximum flexibility with ultimate simplicity.

- 6, 9, 12, 15, 18 and 24 stations (plastic)
- 12, 15, 18 and 24 stations (metal)
- SurgePro™ System for lightning protection
- Hybrid design for easy programming
- Removable faceplate and control module for Armchair Programming
- Vandal-resistant plastic or metal cabinet
- Built-in screwdriver for convenience (plastic models)
- 5-year warranty

Toro Custom Command™ Commercial Controller

6, 9, 12, 15, 18 and 24 Stations—Plastic 12, 15, 18 and 24 Stations—Metal

Custom Command from Toro — the simple solution for complete water management.

Features

- Flexible, easy programming
- 4 independent programs offer concurrent operation capability
- 7-day calendar, odd/even day or day interval options of 1-30 days
- Excluded day option, when used with the odd/even day option, allows for non-watering on specific day(s)
- 365-day clock/calendar with excluded day option
- Station run times of 1 minute to 10 hours in 1-minute increments
- 16 total start times
- Start time stacking within each program
- Season Adjust setting from 10-200% in 10% increments
- Rain delay setting from 1 to 7 days with auto resume prevents water waste
- Programmable Master Valve on/off per program

- Automatic, semi-automatic, manual and timed-manual operation
- Snap-out design allows easy removal of control module without disturbing valve wiring
- Roomy controller interior for ease of installation and service
- User-friendly, 10-position programming dial and large, easy-to-read LCD
- Lightning SurgePro™ System on 24 V a.c. and station outputs
- Self-diagnostic circuit breaker identifies and overrides an electrical valve malfunction
- Non-volatile memory retains program data through power failures of any duration
- Battery operation allows for Armchair Programming
- Battery backup keeps accurate time for up to 90 days during power failure
- Sensor hook-up with sensor bypass switch on faceplate
- Weather-resistant, locking cabinet with heavy-duty internal transformer (plastic/metal models)
- Plastic models made with durable, UV-resistant material
- Plastic models come with a built-in screwdriver for convenience
- Pedestal mount available (metal models)
- UL and CUL listed
- 5-year warranty

Electrical Specifications

- Maximum output per station: 24 V a.c., .5 amp
- Maximum output to valves: 24 V a.c., 1.25 amps (including Master Valve)
- Station Capacity: Up to two 24 V a.c., .25 amp solenoids per station, plus Master Valve
- Battery backup: 9-volt alkaline battery (included)
- Outdoor
 - Transformer input: 120 V a.c., 60 Hz
 - Transformer output: 24 V a.c., 2.08 amps

Mechanical Specifications

- Plastic
 - Height: 5⅞" (149mm)
 - Width: 11½" (292mm)
 - Depth: 8⅞" (219mm)
- Metal
 - Height: 9¾" (248mm)
 - Width: 10¾" (293mm)
 - Depth: 5⅞" (146mm)
- Pedestal
 - Height: 27⅞" (702mm)
 - Width: 10¾" (273mm)
 - Depth: 3⅞" (86mm)

Note: Specifications subject to change without notice.

Specifying Information

<div> <input type="checkbox"/> CC <input checked="" type="checkbox"/> X <input type="checkbox"/> XX </div>			
Model	Style	Type	
CC—Custom Command Controller	M—Metal Cabinet, Outdoor Mount, Internal Transformer P—Plastic Cabinet, Indoor/Outdoor Mount, Internal Transformer	6—6 Stations 9—9 Stations 12—12 Stations	15—15 Stations 18—18 Stations 24—24 Stations
Optional CC-PED—Pedestal Mount			
For Example: When specifying a 12-station Custom Command Controller with an internal transformer, metal cabinet and pedestal mount you would specify:			
CC-M12		and	CC-PED

Toro Rain Switch®

A simple, yet powerful, conservation tool, the Toro Rain Switch prevents countless gallons of water waste by automatically shutting down the irrigation system when it rains.

The Rain Switch and the Custom Command controller are sold separately.
