

# Watts Radiant

Radiant Floors & Snowmelt  
 Ph: 417/864.6108  
 Fax: 417/864.8161

## GENERAL NOTES:

These diagrams typify factory-assembled manifolds. Field assembled manifolds must use Watts Heatway barb and connections components. Failure to use Watts Heatway materials may violate warranty. Refer to Submittal and/or Master Specification for more detailed information.

## SPECIFIER INFORMATION:
